Dear Parent/Guardian:

I look forward to your son/daughter's upcoming year here at Bloomsburg University. I wish them the best in their academic endeavors and I want them to be safe and have fun but without drinking. These precautions are to help you and your child and I hope you enforce them. Also, to mention, Bloomsburg University is a DRY campus and no alcohol on campus is allowed by ANY MEANS!

- They will lose their housing if they are repeat offenders. Housing is a privilege and they will be only receiving so many strikes before they lose this privilege.
- They will receive a suspension and a fine for the same reason of being a repeat offender.
- They will have to attend alcohol awareness classes at least once a week in which they will keep a log of their meetings and report them to the dean.

So again, I hope you inform your son/daughter about the "Dry Campus Policy". This policy is extremely important at Bloomsburg University! I'm pleased to be writing to the parents of a future Husky! I wish your child good luck with their future here at Bloomsburg University and I hope he/she abides by our policy!

Thank you for understanding

Sincerely,

Eileen Davidson
